

# Hands-on Data Protection Workshop

The Hands-on Data Protection Officer (DPO) course is the first in the region to offer a hands-on training programme that allows professionals, managers and executives (PMEs) to be equipped with new competencies to perform their jobs as data protection officers.

Based on a practical approach, this 3-day course allows organisations to implement policies and practices to comply and to stay compliant with the PDPA cost-effectively, efficiently and productively.

We don't just train you – we show you how to be compliant, complete with your own Compliance Manual, Audit & all the Tools you need!

.... all done by the time you complete the course!

.... with roadmap to International Certification

## Learning Outcomes:

- Step-by-step plan and checklist for DPOs to start PDPA compliance IMMEDIATELY
- Manage compliance using the online Data Protection Management System (DPMS)
- Customise your Data Protection & Information Security Policy for the company
- Guidance & best practices from experienced PDPA practitioners

## Ideal for:

- Existing Data Protection/Compliance Officers
- Newly appointed Data Protection/Compliance Officers
- Personnel (Compliance, HR, IT, Marketing) with data protection responsibilities
- Professionals seeking a career in data privacy/protection

"The material covered was detailed and appreciated the practical information provided. Of course, instructors were humorous enough and therefore make this subject interesting and understandable. Don't attempt another DPO training without attempting this."

*Amily Chua*

*Data Protection Officer, Crown World Mobility*

### Free Bundle worth >US\$5,000

- Data Protection Management System (1 year RTU – 1 user)
- Data Protection / Information Security Policies
- PDPA related notices / templates
- PDPA Compliance Manual
- DPO Competency Certificate

“For such an intense subject, it is a pleasant surprise that the training is lively, hands-on and practical.

“The facilitators’ diverse backgrounds offer us useful insights from the angles of governance, operations and marketing.

“This DPO course takes away a lot of my anxiety on how I can go back to the office to implement the processes effectively. I am fully equipped with best practices, manuals, templates and tools to get started.

“Strongly recommended!”

*Jacqueline Wee*  
Manager, Wealth Mentors

“This course was above and beyond what I expected. Most PDPA courses I have attended have given me ‘pointers’ but this course gave me understanding and a great foundation to build upon.

“Overall, I find the course is well designed, insightful and definitely a value add to the DPOs’ knowledge and competency in applying data protection standards within the organization.”

*Alex Chen*  
Chief Compliance Officer, Duxton Asset Management

# TRAINERS

## MAIN TRAINER

Professor Abu Bakar Munir is an internationally renowned scholar, expert and consultant on ICT Law and data protection law. He is Professor of Law and former Dean of the Faculty of Law, University of Malaya. He is also a Visiting Professor at several universities in Asia, Australia, New Zealand, the Middle East and Europe. He is the author of several books and his most recent work; Personal Data Protection in Malaysia: Law and Practice published in October 2010 is a must-read book that provides guidance to comply with the PDPA 2010. He has widely published articles on several aspects of ICT law and data protection law. He speaks extensively at conferences within Malaysia and around the world including those organized by universities such as Oxford, Cambridge and MIT. He is currently the consultant to a number of companies and organizations in Malaysia, Singapore, Indonesia, Saudi Arabia and Turkey. He is working on another book on Data Protection Law in Asia Pacific countries.

As the Adviser to the Government of Malaysia on data protection he was instrumental in the development as well as the passing of the Act. He was an Adviser to the Governments of Indonesia and Dubai and was responsible for drafting the personal data protection laws and other IT legislation for the Republic and Emirate. A recipient of the Malaysia Cyber Security Awards (Minister's Award) 2010 and the Malaysia Cyber Security, (Information Security Visionary of the Year) Award 2010; his other areas of specialization include Air and Space Law, Nanotechnology Law and Renewable Energy Law and Policy.

## Other Trainers

The Hands-on Data Protection Workshop is conducted/facilitated by trainers and consultants who are Certified Information Privacy Managers (CIPM), awarded by professional members of the International Association of Privacy Professionals. The CIPM is the world's first and only certification in privacy programme management.
